Parking	22					51.50		\$1,133
TOTAL FEE AMOUNT:								\$60,692

- 2. The applicant is proposing to build 2 bonus stories with a combined square footage of 17,764. The cost/sf in DO-5 under Development Standard 2 at this project location is \$20/sf., making the value of the 2 bonus stories \$355,280.*

The applicant shall make a payment to the City in the amount of \$355,280 which is intended to fund a portion of the City's Medical Center Intermodal Transportation Improvements (Streetscape Improvement) project. This payment will assist the City in meeting its financial obligations to move forward to complete this Streetscape Improvement Project.

The applicant has been awarded 2 bonus stories with a total square footage of 17,764 as the approved community benefit bonus. A Community Benefits Bonus Agreement Letter outlining the terms of this condition shall be executed within two weeks of the receipt of Planning Board approval for this project.

3. *The applicant shall comply with the City's affordable housing requirements in Section 331-152 of the municipal code and provide a Declaration of Restrictive Covenants setting forth the requirements which shall be recorded against the property prior to issuance of the temporary or permanent certificate of occupancy for the development, as approved by Corporation Counsel. A copy of the final document shall be filed with the Department of Development.*

The applicant is required to provide eight affordable studio units and shall be providing ten studio units that meet the requirements of Section 331-152. On an annual basis, the applicant shall provide a list of affordable housing units to the City for use in the City's affordable housing lottery program.

4. *The applicant shall satisfy the requirement for private art betterments in accordance with Section 331-120. The artwork shall be approved by the Municipal Arts Commission. The minimum threshold cost of the art betterment portion of the art installation shall be not less than 0.25% of the construction cost of the project.*
5. *The applicant shall comply with the City's Economic Opportunity and Nondiscrimination Policy, including provision of quarterly reporting to the City for purposes of monitoring such compliance.*
6. *The applicant shall comply with the City's Business and Residential Relocation and Housing Program.*
7. *The applicant shall satisfy the code requirement for recreation and open space as set forth in Section 331-118G of the code. A payment of \$263.00 per additional dwelling unit on-site shall be paid to Account T-037 prior to the issuance of a building permit.*
8. *The applicant shall satisfy the code requirement for provision of parking as set forth in Section 331-125 and 331-126 of the code.*
9. *The applicant shall comply with the City's requirement for off-street bicycle parking facilities in Section 331-126.1, or, alternatively, in Section 331-126.2.*
10. *Applicant shall provide granite curbing along the municipal right-of-way for the subject site's frontage per City standards.*
11. *The applicant shall incorporate and address the final recommendations of the Professional Architectural Review Committee.*
12. *Prior to issuance of a building, the applicant shall submit a comprehensive construction plan including pertinent staging, drainage, shoring, dewatering, utility, erosion control and curb cut details and details of how materials, construction vehicles and heavy trucks will circulate on the site and move to/from the site, to the New Rochelle Department of Public Works (DPW) to be reviewed and approved by the Building Official, City Engineer and Traffic Engineer. In such plan, the applicant shall provide details as to any temporary utility structures or equipment. The applicant*

shall obtain appropriate permits from DPW, Westchester County and NYSDEC for work on the site under Section 239 F of the General Municipal Law.

The construction plan shall detail any planned closures of sidewalks, roadways, traffic lanes and/or parking spaces, with plans outlining mitigation of negative effects to the public.

- 13. The applicant shall obtain any requisite permits from any Westchester County department/agency, New York state department/agency or federal department/agency prior to the issuance of a building permit.*
- 14. The Applicant shall, at its own cost, complete all applicable on-site and off-site improvements shown on the site plan in accordance with DPW specifications and shall obtain any requisite permits for construction and inspection by DPW. Prior to issuance of a building permit, the Applicant shall post a bond or letter of credit acceptable to Corporation Counsel according to Section 331-136 of the Code to cover the total cost for construction of such improvements and other infrastructure improvements, which amount shall be estimated by the Applicant's engineer and submitted to the Department of Public Works (DPW) for acceptance.*
- 15. The Applicant shall, at its own cost, build all utilities, sanitary and storm drainage improvements, driveways, curbs, sidewalks, handicapped ramps, and other necessary infrastructure shown on the site plan, all in accordance with the New Rochelle Department of Public Works' standards and acceptable to the City Engineer.*
- 16. The applicant shall comply with the grading and draining provisions in Section 331-129B. Oil/grit separators shall be constructed to permit access for inspection and maintenance and the Owner shall submit maintenance reports together with a signed and notarized certification on a form supplied by the Building Official twice per year, once between April 15 and May 30 and once between October 15 and November 30, certifying that the oil/grit separator was inspected and cleaned out during the above-described time periods and that said separators are in working order. The Owner shall be further required to post a long-term maintenance bond, or an evergreen letter of credit with respect to the performance of the maintenance required herein. If the maintenance bond expires or is used by the City in order to conduct the required inspection and cleaning in the event of default by the Owner, then the City may serve an abatement notice for further expenses incurred by or on behalf of the City pursuant to the procedures set forth in Section 200 of the City Charter.*
- 17. A performance and maintenance bond, evergreen letter of credit, cash deposit or other surety, acceptable to the Corporation Counsel, shall be posted by the applicant to guarantee the planting and maintenance of trees and landscaping, as shown on an approved landscape plan for a period of five years, in accordance with § 331-119B(4)(a) of the Zoning Code. The amount of the bond shall be determined by the Building Official for site plans in accordance with § 331-119B(4)(a). The Bureau of Buildings shall confirm the required plantings prior to and as a condition of releasing the landscape bond required under City Code Section 301-23.B.*
- 18. If severe weather generates snow volumes which exceed capacity of the snow storage area, excess snow shall be trucked off the site.*
- 19. The applicant shall comply with all exterior lighting requirements in Section 331.22 of the municipal code.*
- 20. Plans shall be reviewed and approved by the City Engineer prior to the issuance of a building permit.*

21. Plans shall be reviewed and approved by the Building Official prior to the issuance of a building permit.

22. Applicant shall comply with all requirements set forth in the Downtown Overlay Zone.

RESOLVED, that in accordance with Section 331-123 of Chapter 331 (Zoning) of the New Rochelle City Code, such approval for any construction shall expire if a building permit is not issued within two (2) years from the date of approval and if all construction work is not completed within five (5) years of the date of issuance of such permit. Upon application to the Planning Board, extensions totaling a maximum of twelve (12) months may be granted to each of these time periods, for appropriate cause; and, be it further

RESOLVED, that in accordance with the Zoning Code, prior to issuance of the final Certificate of Occupancy, The Applicant shall provide to the City Bureau of Buildings all necessary maintenance bonds or other security acceptable to Corporation Counsel, in an amount and for a period of time acceptable to the Building Official for any proposed landscaping and, if applicable, for any oil/grit separators; and, be it further

RESOLVED, that in accordance with Section 331-123 of Chapter 331 (Zoning) of the New Rochelle City Code, such approval for any construction shall expire if a building permit is not issued within one (1) year from the date of approval and if all construction work is not completed within two (2) years of the date of issuance of such permit. Upon application to the Planning Board, extensions totaling a maximum of twelve (12) months may be granted to each of these time periods, for appropriate cause; and, be it further

RESOLVED, that the applicant and all successors/assignees are hereby informed that in accordance with Section 331-140 of the zoning code; Penalties for Offenses, if any element of an approved site plan is amended without knowledge or approval by the Planning Board, a fee shall be assessed to return to the Planning Board so as to formally file a site amendment, and be it, further

RESOLVED, the Planning Board Clerk is authorized to grant an extension of one (1) month beyond the first year site plan approval date, for any or all of the following conditions: if the applicant can demonstrate that reasonable progress has been made in satisfying the Planning Board's conditions of approval, if the Applicant needs the extension during the Planning Board's annual vacation period, or if other extenuating conditions have occurred, which the Planning Board Clerk considers reasonable for the granting of the additional one (1) month extension. If the Applicant has not obtained the required building permit within this one month extended approval period, the Applicant may apply to the Planning Board to extend the site plan approval for the remaining eleven (11) months.
